

TIMETABLE FOR SEMESTER 2, 2017

Business 2.xxx

Hospitality Management 5.xxx

Tourism Management 3.xxx

Information Technology 7.xxx

On-line course selection will be open from Tuesday 4 April 2017. **Please check your e-mail accounts before the start of semester to find out if your selections have been approved.**

- Students transferring from other schools and seeking cross credits for previous study should seek advice on course selection from their Academic Head of Programme. Cross-credits should be applied for at the beginning of your study.
- New students should refer to the Individual Learning Management Plan guides that are available for their programme.
- On-line course selection for Stage 2 and Stage 3 courses will only be approved if there is evidence you have completed the prerequisites. If you plan to apply for a cross-credit for a prerequisite, please see your Academic Head of Programme as soon as possible.
- Stage 1 tutorial streams are closed off at 20 students; approval is given on a “first-come-first-served basis”. Please note: Some streams may be programme specific or have programme priority.

Graduation 2017

Compulsory workshops for AIS new intake students, Semester 2 2017

1. **These workshops are compulsory.** If you miss one for whatever reason, your programme will contact you and instruct you to make it up by attending a later run of the same workshop. Workshop/tests for latecomers (see overleaf) can be attended by those who missed a workshop/test too.
2. All new intake students have to (i) attend both the “APA referencing skills” and “Avoiding plagiarism” workshops, and (ii) take and pass the “Good referencing” test. (If you fail the test, you can retake it until you pass; however, you cannot submit any assessment online until you have passed it.)
3. The workshops below are the compulsory ones. The Study Skills Advisor also conducts regular free optional workshops on various other aspects of studying in New Zealand, including reading skills and critical thinking. See the AIS Moodle (moodle.ais.ac.nz > Common Resources for All AIS Students) for details and timetable.
